

Computing in Cardiology 2012, Kraków, 9-12. 09. 2012
Preliminary Program Overview

Saturday, Sept. 8-th	09:00 Cardiac Surgery Workshop 9:00 - 12:00 John Paul II Hospital (bus transportation) 17:00	Cardiotoxicity Prediction Workshop 9:00 - 17:00 AGH Campus U2 Auditorium	Please apply in advance for participation in satellite workshops
Sunday, Sept. 9-th	13:00 Sunday Symposium AGH Campus, U2 Auditorium 13:00 Official addresses 13:30 Invited lect. Advances in long-term monitoring of cardiac arrhythmias, W. Zareba 14:00 Silvermedia presentation 14:30 Coffee break, sponsor exhibitions, U2 foyer 15:00 Virtual Reality in Cardiac Surgery 17:30 Bus departure for Wieliczka Salt Mine (parking in front of U2 auditorium) 18:00 Guided visit at the mine 19:30 Reception in an underground chamber 22:30 Bus return to Krakow	Registration desk bldg. U2 12:00 - 17:00	Please join the conference at least at this moment
Monday, Sept. 10-th	08:10 Welcome address, AGH Campus, bldg. A0, Aula 08:15 M1 Rosanna Degani Young Investigator Final 09:45 break 10:15 S21 Electrocardiography I bldg. B1 room 121 S22 Modeling Technology bldg. B1 room H24 S23 ECG Technology bldg. B2 room 100 S24 Novel Tech. in Signal Proc. bldg. B2 room 140 11:15 Coffee break, underground B1-B2 junction 11:30 S31 Medical Informatics I bldg. B1 room 121 S32 Clinical Correlates of ECG bldg. B1 room H24 S33 Atrial Modeling bldg. B2 room 100 S34 Card. Ultrasound Imaging bldg. B2 room 140 13:00 Lunch, Krakus, first floor 14:00 Social event 14:00 Activists, treasure hunt in downtown 16:00 Passivists, guided tour in Krakow and boat trip on Vistula River 18:00 Bus departure for gala dinner 19:00 Rural entertainment 19:30 Gala dinner 21:00 Folklore music and dances 22:30 Bus return to Krakow	Registration desk bldg. A0 7:30 - 9:30 Registration desk bldg. B1 10:00 - 13:00	Please specify in advance when you register whether you prefer the activists or passivist programme
Tuesday, Sept. 11-th	08:15 S41 Physiological Variability bldg. B1 room 121 S42 Atrial Fibrillation I bldg. B1 room H24 S43 Medical Informatics II bldg. B2 room 100 S44 Ventr. Modeling Ionic Basis bldg. B2 room 140 09:45 Coffee break, underground B1-B2 junction 10:15 S51 CinC Challenge I bldg. B1 room 121 S52 Novel Approaches to HRV bldg. B1 room H24 S53 Ventricular Modeling bldg. B2 room 100 S54 Mobile Healthcare in Cardiol. bldg. B2 room 140 11:45 Break 12:00 S61 Ischemia and Infarction bldg. B1 room 121 S62 Electrophysiology bldg. B1 room H24 S63 MRI/CT for Perfusion bldg. B2 room 100 S64 Electrocardiography II bldg. B2 room 140 13:00 Lunch, Krakus, first floor 14:15 S71 CinC Challenge II bldg. B1 room 121 S72 Heart Rate Variability bldg. B1 room H24 S73 Cardiac Repolarization bldg. B2 room 100 S74 Modeling of Ischemia bldg. B2 room 140 15:45 break 16:00 P8 Poster session 1 with coffee, Krakus, ground floor 18:30 Regional dance show, Krakus, first floor (approximately 1 hour)	Registration desk bldg. B1 7:30 - 18:00	Accompanying persons programme please apply in advance 10:00 - 15:00 meet at the registration desk
Wednesday, Sept. 12-th	08:15 S91 Cardiac MRI bldg. B1 room 121 S92 Atrial Fibrillation II bldg. B1 room H24 S93 Cardiac Mechanics bldg. B2 room 100 S94 Ventr. Modeling: Arrhythmia bldg. B2 room 140 09:45 break 10:00 PA Poster session 2 with coffee, Krakus, ground floor 12:15 Light lunch (self service), Krakus, first floor 13:30 MC Closing plenary session, AGH Campus, bldg. A0, Aula 14:30 CC Closing ceremony / awards / future site presentation	Registration desk bldg. B1 7:30 - 15:00	Please contact the tourist office in advance to take any post conference tour
Thursday, Sept. 13-th	Post conference tours start
