description

Zakopane and the Tatra Mountains Travel to Zakopane, a mountain resort nestled at the foot of the Tatra mountains and boasting breathtaking views of Poland's countryside. Zakopane is the winter capital of Poland, thanks to its splendid natural scenery, its pistes and hiking trails, and a rich folk culture. You will begin your exploration of the area by taking the funicular railway to the top of Mount Gubałówka for views over the granite and limestone peaks of the Tatra Mountains.

Having returned to the oldest part of Zakopane, we will visit the charming wooden old parish church and the most unique cemetery in Poland. To complete your experience, you have a chance to visit the enormous regional market and enjoy lunch in a regional restaurant serving local specialities. If you wish to find out more about this unusual region you can visit the Tatra Museum or the village of Chochołów (famous for its 150-year-old wooden log cabins and a serene atmosphere).

Inclusions: English speaking guide, hotel pick up from selected hotels, admission to the funicular railway and the Tatra Museum.

Exclusions: optional gratuity, food and drink, unless specified.
