

MEMSTECH'2021

XVII-th International Conference

"PERSPECTIVE TECHNOLOGIES AND METHODS IN MEMS DESIGN"

Polyana (Zakarpattya), Ukraine
12 - 16 May 2021

Organised by:

Lviv Polytechnic National University, CAD Department, Ukraine

IEEE Ukraine Section (West) MTT/ED/AP/CPMT/SSC Societies Joint Chapter

Wroclaw University of Science and Technology, Faculty of Microsystem Electronics and Photonics, Poland

AGH-University of Science and Technology, The Faculty of Mechanical Engineering and Robotics, Poland

Conference Organizing Committee
MEMSTECH'2021,
CAD Department,
Lviv Polytechnic National University

St. Bandera 12, 79013, Lviv, Ukraine
Tel: (+38032) 258 26 74

CERTIFICATE OF PRESENTATION ON PLENARY SESSION

We hereby confirm that Ludwin Molina Arias gave the following oral presentation titled MODELING OF LINEAR ELECTROMAGNETIC DAMPER FOR WALKING ASSISTANCE AND ENERGY HARVESTING at the XVII-th International Conference PERSPECTIVE TECHNOLOGIES AND METHODS IN MEMS DESIGN.

Sincerely,
Co-Chairman of the International Organizing Committee

Mykhaylo Lobur
