

[2022-12-31] Prestigious Conferences in 2022

Last year members of our team attended three well-ranked conferences. In September, Joanna, Dariusz and Andrzej took part in [MICCAI 2022](#) in Singapore, where they participated in Diabetic Foot Ulcer Challenge. In October, Anna represented our team during [ECCV 2022](#) in Tel Aviv, where she presented our own dataset that can be used for artefact removal. Finally, in December Michał took part in another conference in Singapore - <https://www.icarcv.sg/ICARCV 2022>.
