

Research partners

Chair of Pathomorphology UJCM

We cooperate with Jagiellonian University Medical College, [Chair of Pathomorphology](#), when conducting researches in the field of histopathology.

The specialists from CoP UJCM:

- consult us on medical issues related to our research
- help us in preparing the ground truth
- help us to assess the results from the medical point of view

University Hospital in Krakow

We cooperate with [University Hospital in Krakow](#), when conducting researches in the field of histopathology.

The hospital:

- grants us access to histology slides (i.e., processed specimens ready to be scanned in order to obtain input images)
